PAST TRIPS AND EVENTS

Climbing Practice: We did some climbing practice in Seminole Park a couple of weeks ago. We practiced change-overs and rebelay. While there were some difficulties along the way, everyone was successful. Thanks to Scott Thompson for being a great guide!

MEMBERSHIP

We still have some unpaid memberships; please pay your dues if you have not already done so. Dues are \$15.00 for one membership and \$5.00 for each additional family member. You can pay [here](#).

NSS CORNER

Cave Conservation and Restoration: The restoration and clean-up of damaged caves is an act of love for the many cavers who donate their time and resources to this intensive, almost exclusively volunteer activity. Made available to the public, the NSS' 'Cave Conservation and Restoration' is an in-depth resource helping you to learn more. You download it [here](#).
