Updates from the latest Grotto Meeting and Events –
NEXT MEETING: THURSDAY March 4th 2021, Kickbacks Gastropub

UPCOMING EVENTS

Tuck's and Lundy's: We are trying to schedule a trip to Tuck's and Lundy's on March 17th. Details for this will be given as we get closer to the date.

Bat Cave: We are hoping to schedule a trip to Bat Cave in April. Turn to our Facebook page and your email for updates on this.

New Meeting Location: Bold City Brewery is now hosting music bingo on our meeting nights, so we are in the process of looking for a new meeting location. We met at Kickbacks Gastropub for our February meeting. Everyone liked the meeting space, so we will continue to meet there for now.

FINANCIAL UPDATE

We are solid financially.

EVENT/TRIP REPORTS

White Cliff: Phil led a trip to Whit Cliff Cave on January 16th. There were some initial issues with getting onto the property, but eventually the group got into the cave. A bat was found past the Effigy room along with calcite rafts that formed in the pool.

MEMBERSHIP

We have a new member!

NSS CORNER

Dark Waters, Strange Creatures Amazing Life in Groundwater: Benjamin Hutchins presents a webinar on about subterranean aquatic organisms and ecosystems, global patterns of bio-diversity, how species are discovered and described, and how cavers can be part of the action.
